

## The Midlands Regional Branch Of The British Polymer Clay Guild

### Programme Changes 2010

Hi Everyone - It was with great disappointment that we had to cancel the Miniaturists Italian Food Workshop planned for Sunday 9th May 2010 and so it is with even more regret that I now have to announce that once again we have to disappoint members with the news that we have had to cancel Bonnie McGough's workshop - The Captain's Cat, due for 11th July 2010!

However, every cloud has a silver lining and I am so very pleased to announce that Pat Goodall McIntosh will now be able to take the Miniaturists Italian Food Workshop in it's place on 11th July.

The jewellers workshop making confectionary jewellery with Angela Smith goes ahead as planned - so please bring along samples of liquorice allsorts, love hearts and jelly babies for us to eat - oops - I mean model from!

So please check your diaries and our programme to see whether you can join us then or later in the year.
